

# **SHAC Agenda 03/27/2018**

## **Big Decisions Update**

8th Grade has 17 students this year and after looking at the roster I think there are a few that will be opted out. The class will run April 16-27 every day during BCIS (2:00). The parent meeting will be held on April 10<sup>th</sup> at 6:00PM in the Elementary Science Lab for any parents with questions or concerns.

## **School Health Survey**

Due May 7<sup>th</sup> and I will be completing it with the help of Cookie and Coach Sweeten when needed.

## **Spinal Screening Requirement Changes**

This year's screening is required for grades 6 and 9, boys and girls. Next year (2018-19) the requirements will change and boys will be screened at age 13-14 and girls will be screened twice at ages 10 and 12.

## **Fitness Gram**

Due June 6<sup>th</sup> or 7<sup>th</sup>. I already collected all of the heights and weights at the JH/HS campus and just need a few who were absent on the day of screening for the Elem Campus. The coaches have collected some of their data but have not completed it yet. I am still waiting on the import to be done so I can put the data into the computer. Mr. Harmon said that he is waiting on Nancy to pull the info he needs from PEIMs.

## **Cafeteria Update**

Everything is going good in the cafeteria at this time, A La Carte is still staying consistently busy and Cookie tries to add in new items every once in a while to see if the students like them. She ordered 10 NEW TABLES

and is just waiting on a delivery date. They are navy blue with black bucket seats and are supposed to be a lot easier to pick up and take down than the ones we currently have.

### **Prowling Panther Little Dribblers**

Parent Meeting is Wednesday, 28<sup>th</sup> at 5:30 in the Elem cafeteria. There are 2 divisions; 3<sup>rd</sup> and 4<sup>th</sup> grade in one division, 5<sup>th</sup> and 6<sup>th</sup> grade in the other. The cost is \$45 to join, which includes the t-shirt.

**Next Meeting is tentatively scheduled for May 8<sup>th</sup>.**
