NCCISD Covid Testing Protocol September 30, 2021

Due to the current allotment of tests and staff availability we will begin the following testing protocols immediately.

- Testing will be conducted by appointment only.
- Appointments must be made 24 hours in advance. Call 830-597-3218 between the hours of 8:30 to 2:30 to make an appointment. *This is the only way to schedule a COVID Testing appointment.*
- Testing will be from 1 pm to 3 pm Monday – Thursday only.
- Students in quarantine due to exposure will be scheduled for testing by NCCISD. Students exposed within the same household must test to return to school at the specified testing time assigned by the school district or may seek testing from a primary care physician.
- When testing is not available, individuals should see their local physician.
- Persons experiencing frequent COVID symptoms will be directed to contact their primary care physician for testing and treatment.
- The decision on whether or not to test rests solely with NCCISD.
