

SCHOOL HEALTH ADVISORY COMMITTEE

May 23, 2012

The School Health Advisory Committee met on Wednesday, May 23, 2012, at the Elementary School Campus in Camp Wood with the following members present: Doris Miles, Jimmy May Baxter, Terri Maner, Helen Adair, Luci Harmon, and Karen Collins.

The meeting was called to order at 2:05 p.m. and the Minutes of the last meeting (March 7, 2012) were approved as presented following a motion by Mrs. Baxter, seconded by Mrs. Maner.

Mrs. Adair asked how the band students were reacting to having a choice of peanut butter and jelly sandwiches on the menu at the elementary cafeteria, and Mrs. Baxter said that they still seemed to enjoy them occasionally but did not eat them often.

Mrs. Miles and Mrs. Harmon reported that a Health Fair would be held at the Elementary Gym on Wednesday, August 8, 2012, from 10 am until 1 pm that would have booths and exhibits explaining about health service available in this area. The program would be designed for entire families to attend. The sponsoring group, San Antonio Health and Human Services, would offer some school supplies to our students and it is hoped we can have businesses here make donations so that many students could receive supplies during the fair.

Mrs. Harmon announced that Monday, May 28, would be a school holiday for Memorial Day. Field Day activities at the elementary school will be on May 30th.

The group agreed to meet again after the new school year begins in September. With no further business, the meeting was adjourned at 2:45
