January 4, 2021

Dear Nueces Canyon Community and NCCISD Staff

NCCISD has been notified that one staff member on the NC Elementary campus tested positive for COVID-19 during the Christmas break. Beginning Sunday, December 27, the staff member self-quarantined. The employee has not been around any NCCISD students during this time. Although the employee's quarantine time has officially ended based on CDC and TEA guidelines, the staff member has chosen to self-isolate and not return to school until Monday, January 7.

Buildings on both campuses will continue to be cleaned and disinfected as usual. Students ages 10 and over and staff are required to wear masks.

We urge everyone in our entire Nueces Canyon community to monitor your health, follow the CDC guidelines regarding COVID-19 and contact your physician if you develop any symptoms.

NCCISD is continuing to monitor COVID-19 cases and will keep everyone informed. Please keep our staff member and everyone in our school and community in your prayers.

Respectfully

Kristi Powers
Superintendent
Nueces Canyon CISD
