After careful consideration, Nueces Canyon CISD will continue with our current COVID-19 safety protocols, including face coverings. Continuing these protocols will allow us to keep our students and staff safe and in school. Our students are enjoying being in school, seeing their teachers, and participating in extracurricular activities. In the coming months, our students will be involved in many extracurricular activities. We want them to be able to continue to have in-person instruction, compete in all of these activities, and finish the year on campus.

The use of face coverings allows us to quarantine far fewer staff and students when we contact trace after confirmed cases are identified.

Let's stay the course and provide our Class of 2021 seniors and all NC students an incredible end of year experience!

We will dismiss at 12:30 p.m. on Friday for spring break. Everyone be safe and we look forward to having a great finish to this year!
