August 23, 2021

An employee at Nueces Canyon Elementary tested positive for COVID-19 this morning. The employee will quarantine for 10 days.

Through contact tracing, it has been determined that two students on the elementary campus must quarantine. One student at the JH/HS will also have to quarantine.

We are continuing to follow our COVID mitigation protocols relating to cleaning and disinfecting.

It is worth noting that an individual being vaccinated / and or masked has an impact on quarantine decisions according to TEA, CDC, and Region 8 Health Department guidance.

Our number one priority continues to be the safety and welfare of our students, staff, and families. Please keep those who are experiencing difficulties related to COVID-19 in your prayers.

Please screen your children for COVID-like symptoms each day before they come to school.
