**Course description:** 1)This technical laboratory course addresses the knowledge and skills related to children and effective caregiver skills. Students use these skills to promote the well-being and healthy development of children, strengthen a culturally diverse society, and pursue careers related to the care, guidance, and education of children, including those with special needs.  
2)Students are encouraged to participate in extended learning experiences such as career and technical student organizations and other leadership or extracurricular organizations.

**Outline of topics covered in course:**

- I. Professionalism
- II. Child Care Management
- III. Safety, Nutrition, Health, and Wellness
- IV. Child Growth and Development
- V. Guidance
- VI. Careers and Success at Work

**Course Expectations:**

Students will abide by all the rules listed in Nueces Canyon High School Student Handbook. Students are expected to participate in all class and lab activities. Lab guidelines will be followed to insure student safety. Students are expected to come to class with pencil and paper.

**Grading:**

- Daily 65%
- Projects or Labs 20%
- Tests 15%

**Course Rules and Expectations:**

Students will abide by all the rules listed in the Nueces Canyon High School Student Handbook.

Students are not allowed to use cell phones while in class.

Cell phones must be turned off at all times and kept out of site. This also means no I Pods, mp3 players, etc.

Be punctual

Students should respect others and others property.

No eating, gum and drinking in class unless it is a project.

Stay seated until dismissed.

No talking while I'm talking

Computers out only when we are using them in that day or you have been given permission.

No offensive language or swearing.

**Materials Required.**

1 spiral notebook

Three ring ruled writing paper

Pencils

Blue or black pens to write with (no red)

**Make-up Work Policy:**

It is the student's responsibility to ask Mrs. Stott's for missed assignments. The student will have three days to make-up the work missed due to absence and one additional day for each day missed in succession. In cases of unexcused absence, make-up work will be allowed, but a grade of 80 will be the maximum allowed. A student will be permitted to make up test and to turn in projects due in class missed because of absence, but a late penalty will be assigned in accordance.

For any class missed, any assigned make-up work within the time allotted will receive a grade of zero for the assignment.

**Format:**

Lectures, classroom and computer notes, various types of test: computer projects: classroom activities

## Student Information Sheet

---

**Student Name**

Dear Parents/Guardians,

Thank you for taking time to fill out one more form! I will keep this contact information close at hand so we can stay in touch throughout the year. Check our NCCISD Website for school updates. You may call the office at 830-234-8132 for help with parent access to the TXGradebook.

Does your student have access to a home computer \_\_\_ printer \_\_\_ Internet
